Dear Prospective Sponsor,

The Fort Mose Historical Society invites you to support the 14th Annual Golf Tournament, taking place Monday, June 15, at Marsh Creek Country Club. This event directly supports our mission to preserve and share the history of Fort Mose—the first legally sanctioned free Black community in what is now the United States. Your support enables us to expand educational programs, community outreach, and preservation efforts.

We are pleased to highlight the commemoration of the new Fort opened in May 2025. Your sponsorship will help strengthen initiatives that elevate awareness of this historic site. In addition to contributing to this important mission, sponsors receive benefits including complimentary team entry, recognition across event materials, on-course signage, and VIP tickets to the 2027 Fort Mose Jazz and Blues Concert Series.

Sponsorship Levels:
